The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Recovery Center Renovation (Town of Barre, Washington County, Vermont, VT-AL) project in fiscal year 2024. The entity to receive funding for this project is Turning Point Center of Central Vermont Inc. located at 489 N. Main St., P.O. Box 887, Barre, VT 05641. The funding would be used for the purchase and restoration of a historically significant building that is currently uninhabitable into a peer recovery center. The project is an appropriate use of taxpayer funds because it will restore a historically significant building and provide improved access to peer recovery services.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
